Answering Letter Date

Copy to Mr. J. F. Frost

Subject Shipment of Radioactive Waste
from Niagara Falls to Barnwell
Chem-Nuclear Services, Inc.

Dear Ken:

This is to inform you that the work outlined in the enclosed Contract Exhibit No. 250-07142, of Contract No. 100-78972 between Chem-Nuclear and Union Carbide, was completed on September 18 and 19, 1986. You will be invoiced in the amount shown on page 3 and 4 of the Exhibit.

I left word when you were on vacation that Purchase Order No. 250-07142 was for internal use only and a copy should not be sent to Chem-Nuclear.

If you have any questions please call me.

Regards,

Donald J. Hansen
